

b4 corner unit at block

introducing **block** by treasure hill developments

Welcome to block – the evolution of urban living.

We are proud to offer homes in downtown Toronto like you've never seen – situated within a neighbourhood rich in history, and complete with chic contemporary architecture and design that enlightened buyers have come to expect. Built for today's sophisticated families, couples and singles, every home at block features four magnificent levels showcasing intelligent use of space and stunning interior design.

This unique project is brought to you by Treasure Hill Developments, a full service design, development and construction management firm that focuses on creating innovative and exciting urban spaces.

Treasure Hill Developments has evolved from Treasure Hill Home Corp., which has a strong history of planning, developing and building the highest quality homes and communities throughout the Greater Toronto Area since 2003.

With over 1100 homes either completed or in pre-development, our reputation with TARION is unsurpassed. Treasure Hill Developments is also a member of the Building Industry and Land Development Association.

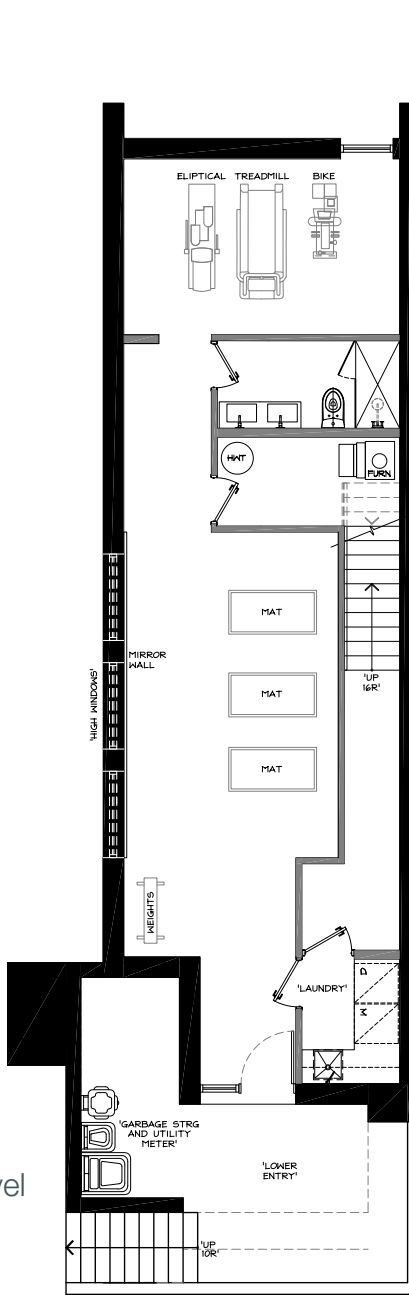

We partner with the very best designers and architects to craft interiors and exteriors that enhance neighbourhoods and provide highly-desirable living spaces for homeowners.

We are delighted to be working with top talent to bring you block – the evolution of urban living.
